

Unione di Comuni Montana Lunigiana

(Bagnone, Casola in Lunigiana, Comano, Filattiera, Fivizzano, Fossatrovato, Lucciana Nord, Mulazzo, Podenzana, Tresana, Villafranca in Lunigiana, Zeri)

PIANO OPERATIVO INTERCOMUNALE

dal "disegno" strutturale di area vasta (comprensoriale)
al "progetto" di sviluppo sostenibile locale (comunale)

Quadro geologico - tecnico

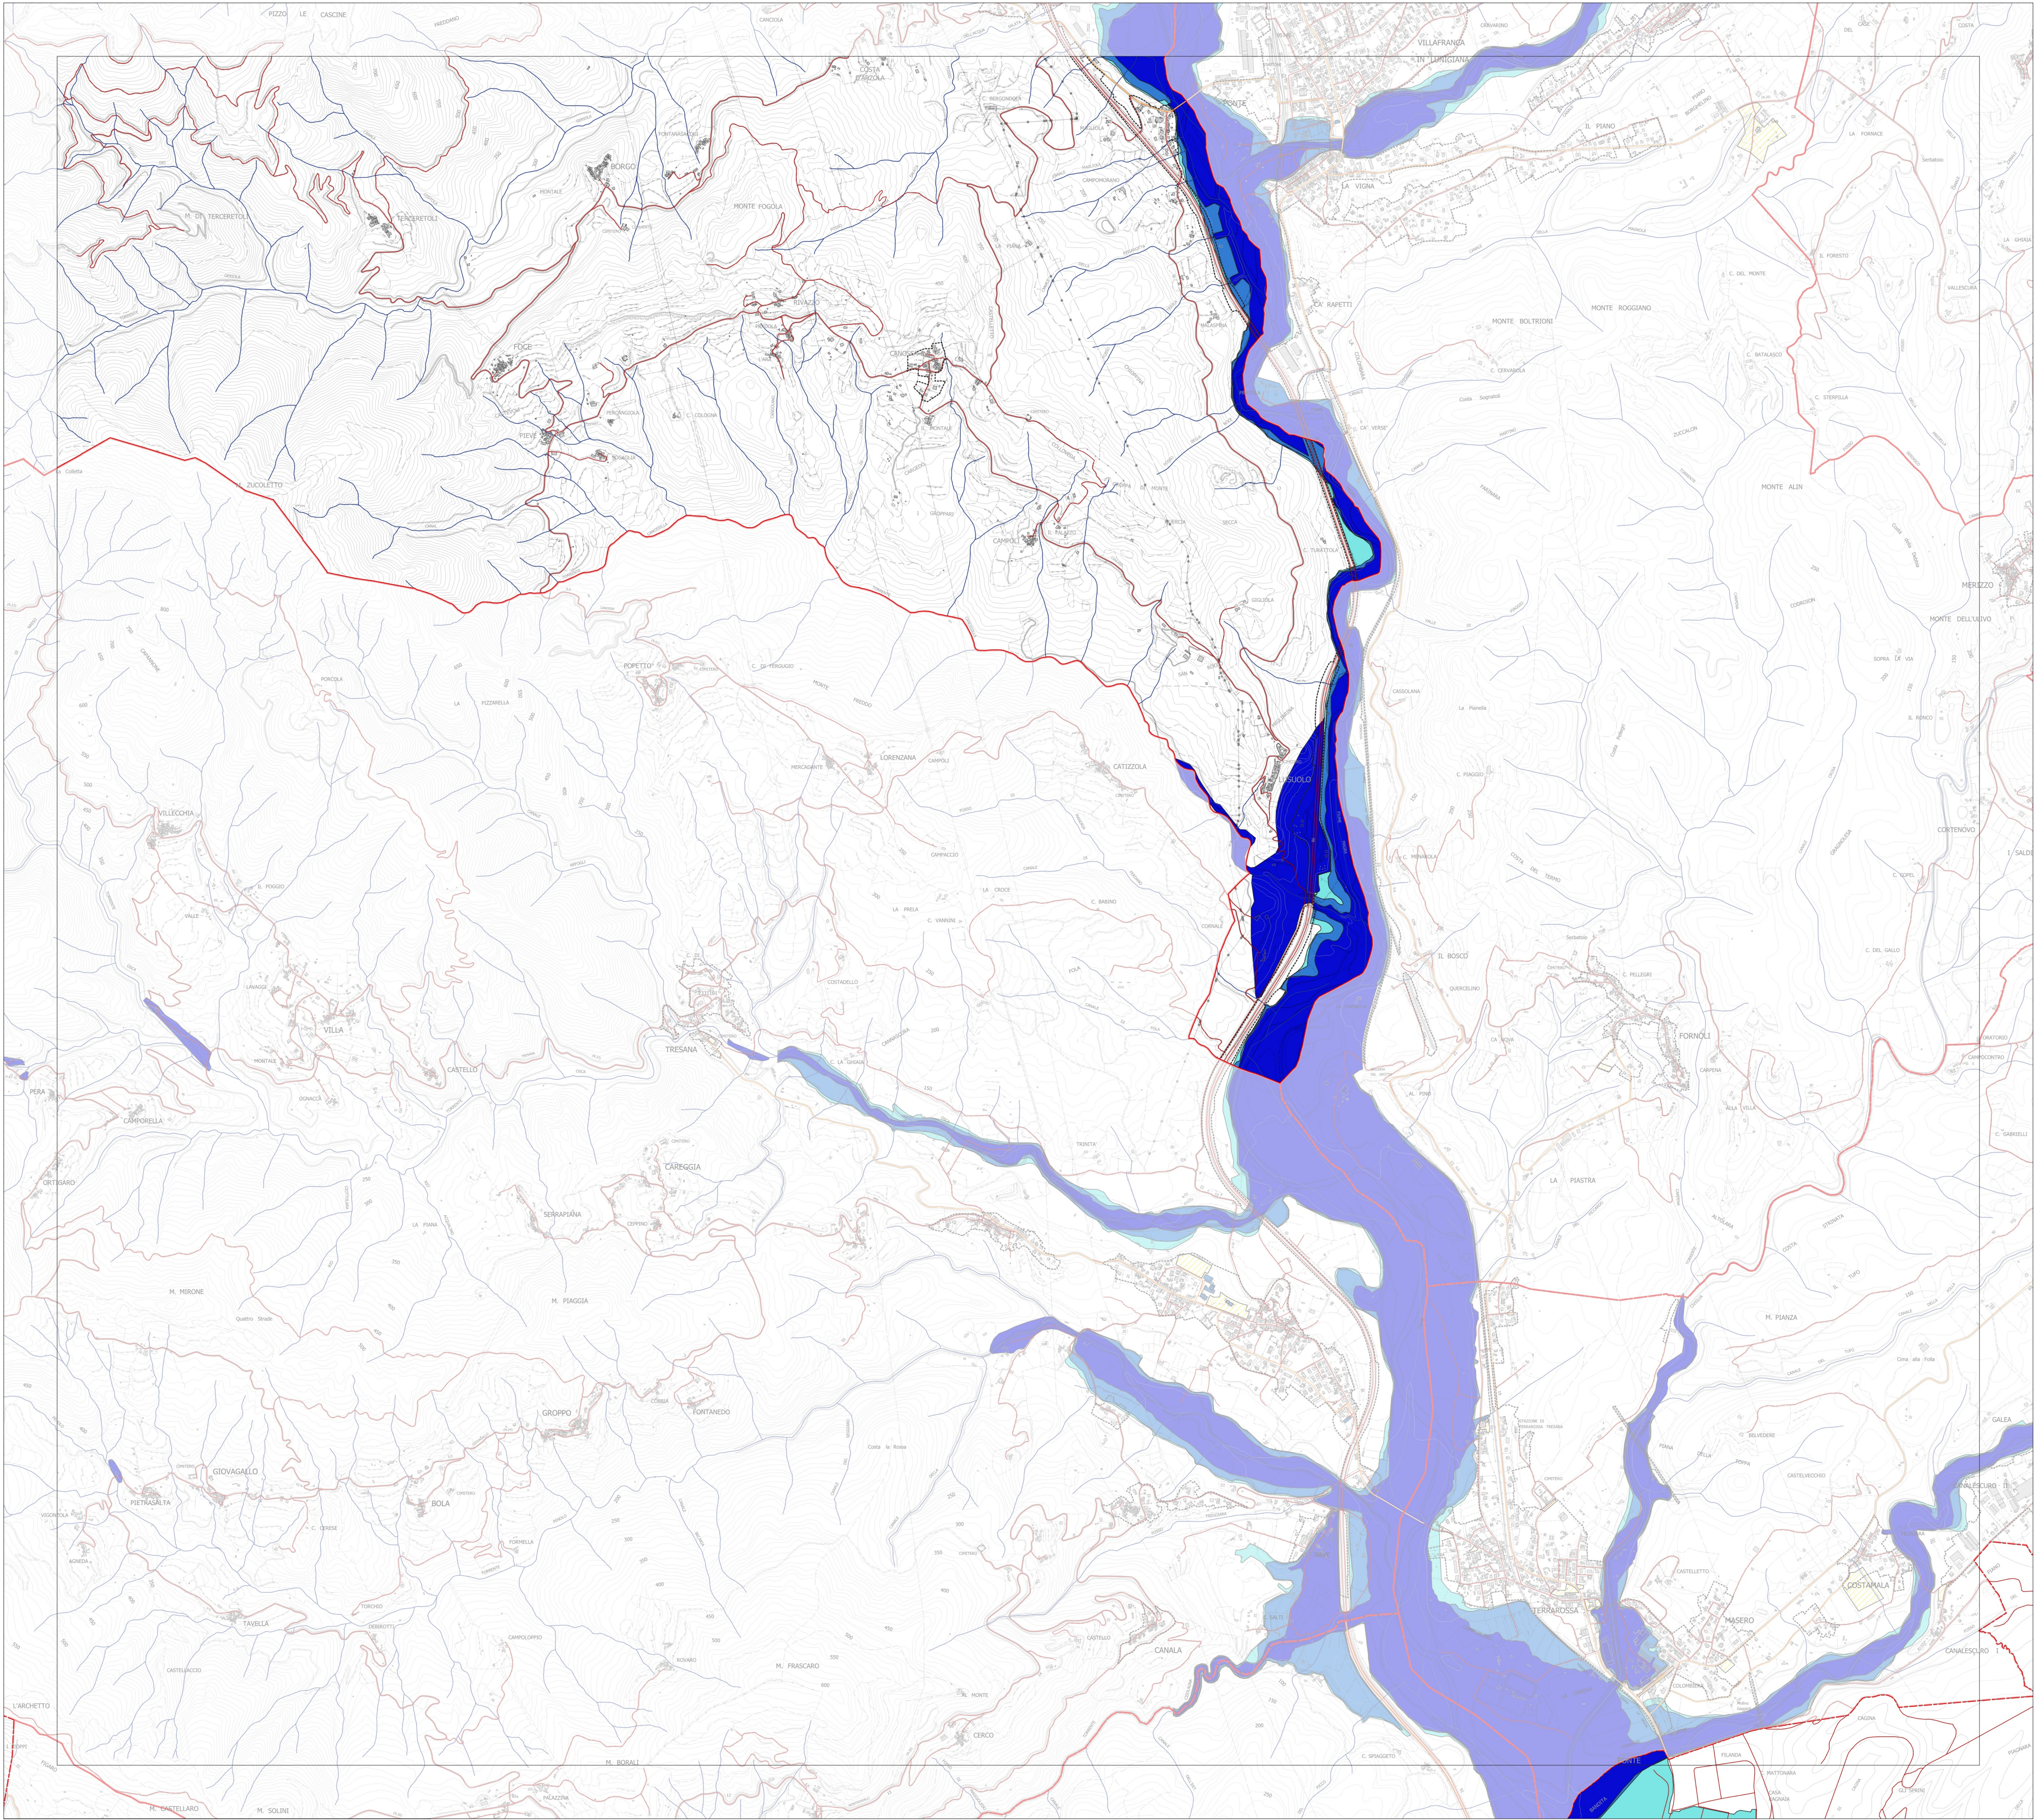

Aree ed elementi esposti a fenomeni alluvionali

Quadro comunale

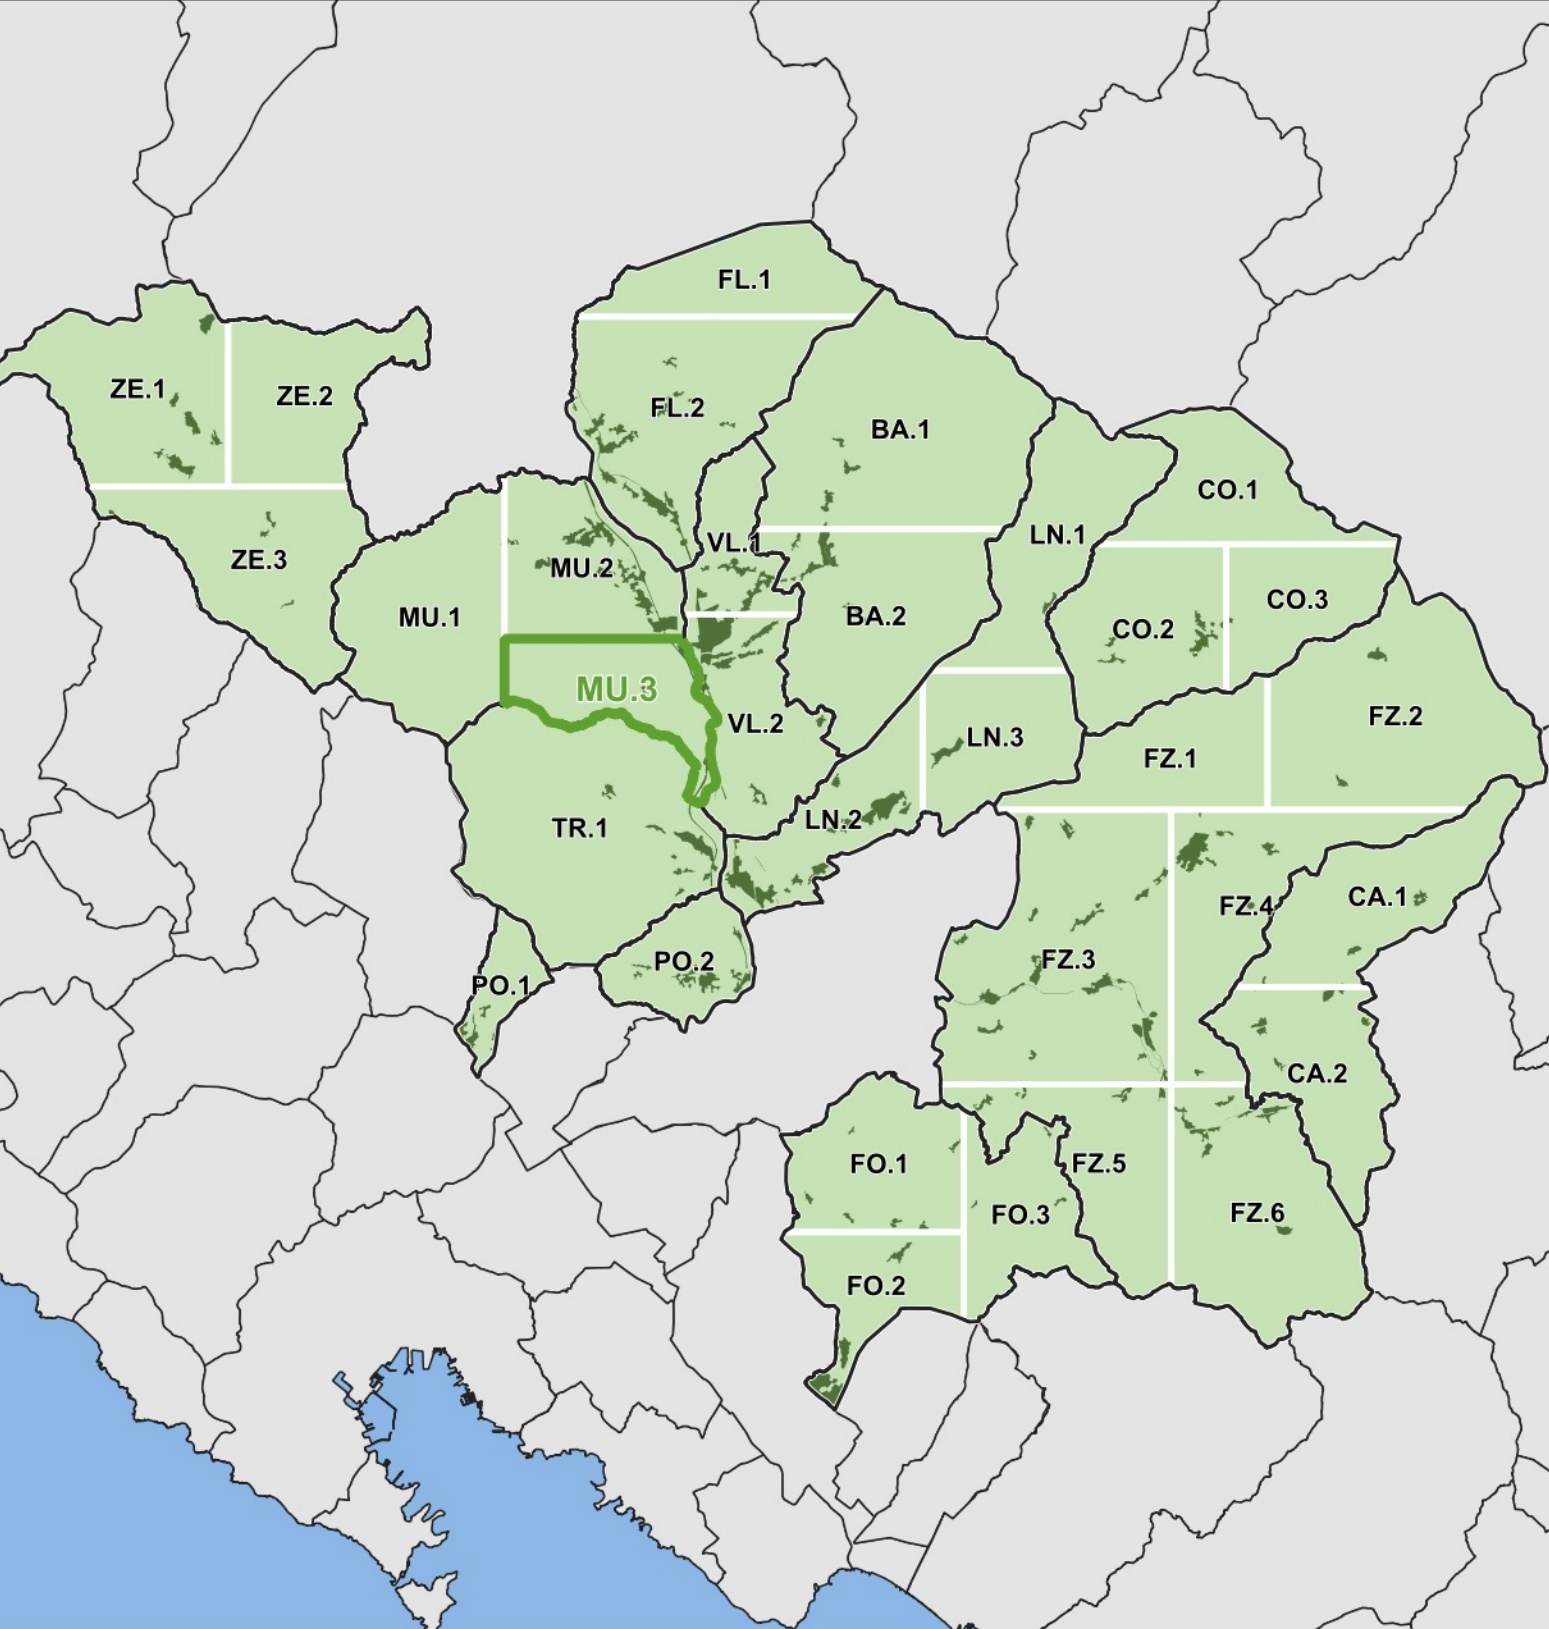

ADOZIONE

QG.3
MU.3

Scala 1:10.000

The main map displays the geographical area covered by the plan, showing the river Arno and its tributaries. The map includes various geographical features such as mountains, valleys, and settlements. The map is divided into several zones, each with a specific color and label, indicating different levels of flood risk or other geographical characteristics. The map also shows the boundaries of the municipalities involved in the plan.

This inset map shows the location of the area of the plan within the Lunigiana region. The map is divided into several zones, each with a specific color and label, indicating different levels of flood risk or other geographical characteristics. The map also shows the boundaries of the municipalities involved in the plan.
