 Alta

The main map displays the seismic exposure of the Lunigiana area. The Fiume Magra flows through the center, with several towns and villages situated along its banks. The exposure is categorized into four classes: Bassa (green), Medio-bassa (yellow), Medio-alta (orange), and Alta (red). The map also shows topographic features such as contour lines, roads, and railways. Key locations labeled include Ponte Magra, Villafranca in Lunigiana, Prato, and various smaller settlements like Magliola, Santeramo, and Ca' Rapetti. The map is oriented with North at the top.
